RE: **TARPON SPRINGS TRIATHLON, September 10, 2022, 7:30 A.M.**

Thank you for supporting the **TARPON SPRINGS TRIATHLON** for the past the 33 years! It's the consistent support of local businesses like YOURS that help make the Tarpon Springs Triathlon a safe successful sold out race year after year.

As a result of over 33 years of racing, The Tarpon Rotary has invested all the proceeds, exceeding \$500,000, to support: **School Programs**, including Chorus, Culinary and Future Farmers of America; **Youth Organizations**, such as the Boys and Girls Club, Girl Scouts, Boy Scouts, Little League and Youth Football/Cheerleading; **College Scholarships** to deserving High School Seniors; **Doorways Scholarships** to Middle School students (who are also mentored by Rotarians through school); and other club projects. Many of the 140, 4 year scholarship recipients are now grown and have shown their appreciation by returning to help with Rotary events, participating in the triathlon and joining local Rotary Clubs. Tarpon Rotary is also involved with the Rotary Grant process to leverage our club fund raising with matches from Rotary International as well as from other Rotary clubs, other organizations and individuals to support scholarship, and local and international projects.

Every year we receive positive feedback from athletes regarding our friendly volunteers, beautiful race venue and safe course, making the **TARPON SPRINGS TRIATHLON** one of the best and longest standing races in the area! Our Rotary club feels very strongly that it is more important than ever to offer the people of our community a healthy event like this they can participate in an effort to promote healthy living.

We ask you please make your check payable to: The Rotary Club of Tarpon Springs and Mail to: The Rotary Club of Tarpon Springs, P.O. Box #234, Tarpon Springs, FL 34688

Thank you,
